## Hamlin Livestock Show Good And Saturday Was A Big Day

Everybody in Hamlin had a good time last Saturday. It was more of a picnic day than a stock show. But the stock got the attention, first and then "revelry."

The women of Hamlin assisted in entertaining, by having their Annual Hobby Show. The Hobby Show is growing too. This year it was in a building all of its own, and there was a crowd from early till late to see the "Hobbies."

The most interesting part of the crowds Saturday however were the young farmers. The Future Farmers of America, looked it in Hamlin, Saturday. Every single one of these boys walked and talked just like experienced stockmen. They are the fellows who are going to show that prosperous farmers can be in this country inspite of small cotton crops.

It did not make any difference whether the boy had a fat calf, a pen of round hogs, a bunch of sheep or a rich Jersey cow, or a coop of hens laying golden eggs, they had that independent look of prosperity. The show yard was the old Gray Lumber Company place, and there is none better. This was contributed by John Ed Day for the day.

The most interesting part of a stock show is the judging, and the final awards. Here is how it came out.

Heavy Barrows—H. L. Ford, first; S. C. Ferguson Jr., second.

Light Barrows: S. C. Ferguson, first; Richard Hambric, second; Bill Scott, third.

Feeder pigs—Delbert Kite, first; Freely Tidwell, second; Hilon Fields, third.

Hampshire sows—Rufie Neal, first; Freely Tidwell, second; Robert Gardner, third.

Hampshire Gilts—Floyd Smith, first; Robert Gardner, second; Frank Campbell, third.

Champion Hampshire female—Floyd Smith.

Duroc sows—James Woods, first; Robbie Gill, second; Joe Sam Gray, third.

Duroc Gilts—Robbie Gill, first; Hilon Fields, second; Max Sellers, third.

Champion Duroc female—James Woods.

Champion female hog—Floyd Smith Hampshire.

Grade Sows—Everette Ellison, first; Teddy Russell, second.

Grade Gilts—J. C. Hodnett, first; Jack Ellison, second; William Bowman, third.

Berkshire Sow—Jack Vaughan, 1st, (no competition.)

Dry lot calves—S. C. Ferguson Jr., first and second; Hilon Fields, 3rd.

Milk fed calves—Jack Ellison, first; S. C. Ferguson, second; Joe Sam Gray, third.

Champion calf of the show—Jack Ellison, milk fed calf.

Jersey heifers—H. L. Ford, first; Gattis Rich, second.

Cow with first calf—H. L. Ford, no competition.

Cow with second calf—Billy Calhoun, first; H. L. Ford, second; H. L. Ford, third.

Champion dairy animal—Billy Calhoun.

Poultry—Daron Switzer, with a Rhode Island Red hen; 2nd, J. C. Hodnett, with a Black Minorca; 3rd Troy Ford, with a White Leghorn.

J. M. Bird of Stamford was the stock judge.

HOBBY SHOW GAVE PRIZES

The Hobby show serves many useful ways. It reveals some hidden talent. And last Saturday all of us were convinced that in and around Hamlin there is plenty of talent, from careful artists to delicate handicrafts, from every angle of life came items that took one "fur back." One could see things down there that could not be seen elsewhere, especially if they were in use. It is entirely beyond the scope of the Herald to detail what ALL we saw. One woman would beat Ye Editor's head off if we told how old she proved herself to be and if we told what we saw. S-o-o-o-. But it was found that such fellows as R. M. Young, cut up quite a little in his "young days." His hobby then was whittling chains from one piece of wood. They still link together. That was only one of a hundred

## Annual Fisher County 4-H and FFA Boys' Livestock Show at Roby 24th

### PURPOSE OF THE SHOW

The purpose of the show is to afford the 4-H and FFA boys of Fisher County a chance to exhibit the results of their feeding and breeding project demonstrations as carried on under the supervision of their adult advisors, and in turn hope to create enough interest with other boys and adults to study their achievements for a foundation to build a sound diversified agricultural program for Fisher County.

The Show will also afford an opportunity to develop leadership and civic pride among the boys as all of the officials, etc., are either 4-H club or F. F. A. boys.

This Show is also the cheapest and the most effective means to advertise the approximate \$1,500,000 livestock industry of Fisher County, and towards this, the citizenship of the county will provide approximately \$350.00 in premiums for the various classes.

### GENERAL RULES AND REGULATIONS

Exhibitors are requested to familiarize themselves with the general rules and regulations of the show and other rules and regulations in the classes and departments applicable to their exhibits.

### SHOW COMMITTEES AND OFFICERS OF THE 1940 SHOW ARE:

President—John Ferguson, Sylvester, F. F. A.

Vice-President—English Dooley, Hobbs F. F. A. and 4-H Club.

Sec'y-Treas.—R. F. Stevenson, Roby Businessman.

Ass't. Sec'y.—Robert Lynn Parker, Roby F. F. A.

### RULES

RULE 1—This show reserves to its management the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions interesting.

Anyone can have a "hobby." We saw vase hobbies, match cover hobbies, shoes, bottles, shells, old garments, dolls, kodak pictures, ropes, knots, purses, dresses, flowers, (pressed) bed spreads, crocheting, quilts, rugs, play-houses, ancient furniture, antiques (like the O. K. Wilson's baby doll) ancient baby caps, baby chairs, bibles, old blue back spellers, baby suits (especially Ted Bledsoe's) laces from Germany, and other foreign countries, garters etc. Then there were all kinds of paintings, some so natural that one could hear the birds singing and the water rippling, made right here in little Hamlin Town. It looks like "Hobby Day" is going to spread, in fact it should include two days and one night. But let's see who won prizes.

tions, and differences in regard thereto, or otherwise arising out of, or connected with, the show and the right to amend or add to these rules as its judgment may determine.

RULE 2—All applications for entry must be made on printed forms which may be obtained by addressing the County Agent, Fisher County, Roby Texas. These forms are to be filled out and signed by the County Agent or Vocational teachers, and filed in the office of the secretary of the show fifteen days prior to show date. Animals to be ear tagged at day of show.

RULE 3—To be eligible for competition, whether in singles or in groups, animals must be the bona fide property of the exhibitors. All calves entered for competition must have been owned by the exhibitor not less than 120 days prior to the day of the show. All lambs, pigs and capons must have been owned by the exhibitor 90 days prior to the day of the show. These rules apply only to fat classes and therefore should not be applied to breeding classes.

RULE 4—All calves will be weighed at the Roby Co-operative Gin Co., on the highway east of Roby and must be weighed in by 8:30 o'clock A. M., and ready to parade to the show grounds at 9:30 A. M. All sheep and pigs will be unloaded at the show grounds east of Burton-Lingo Lumber Co. by 8:30 A. M. If you do not know the weight of your pig then it will be left up to the judge to determine the weight without further protest.

RULE 5—Exhibits that have been erroneously entered may be transferred to their proper class, previous to judging, upon application of the Superintendent of that division. If such classes have been judged, they shall not be reopened.

### JUDGING

RULE 6—Judging will be promptly at 10:00 A. M. in the order listed, and two judges and two classes will be judged at the same time.

RULE 7—Should any animal awarded a prize be disqualified, the animal gaining the lower prizes shall graduate up into the higher position next in order above them, if, in the opinion of the judge, these animals are worthy of such prize.

### SPECIAL RULES AND REGULATIONS

1. Any boy who will be 10 years old and who will not be 21 years old before the day of the show is eligible to enter for competition in this show provided he has personally fed and cared for his animals (separate and apart from animals owned by other club members) under supervision of county agent or vocational teacher of Fisher county for a period of not less than 4 months in case of calves, and not less than 3 months in case of lambs and pigs, prior to day of show, and provided he has been regularly enrolled in 4-H club or vocational agriculture work for his particular demonstration or project.

(a) County Agents or Staff members of Extension Service.

(b) Teachers of Vocational Agriculture.

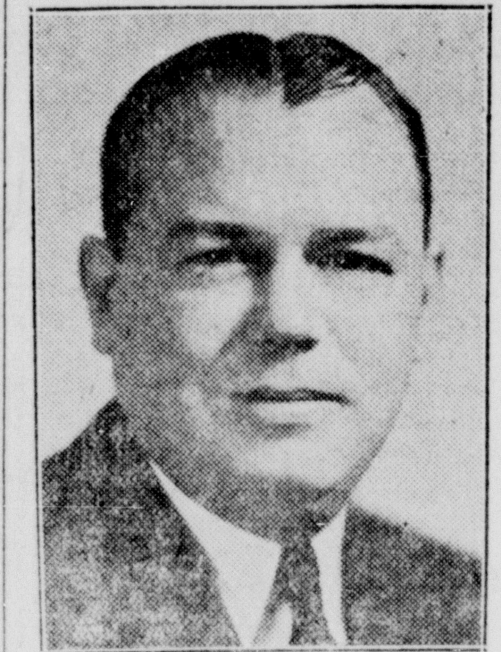

2. The exhibitors must own their animals at the beginning of, and throughout the feeding period.

3. Those wishing to exhibit in this show must have the county agent or teacher of vocational agriculture, under whose supervision the animal was fed, certify on the entry blank that the animal was fed and conditioned under his supervision and is eligible under the CASH PREMIUMS

In the several divisions and classes, numerous cash premiums are rules of this show. offered.

Rev. and Mrs. Hendrix went to Amarillo Monday to attend the Methodist Advance. They left here Sunday night and joined Rev. S. A. Bickley at Rotan and spent the night in Lubbock.

## New Officials Head Lone Star Gas System

D. A. HULCY

A native Texan, born no Friday the thirteenth, whose business career started with a humble job for the International and Great Northern Railroad in East Texas, has been elevated to the head of the Lone Star Gas System, one of the largest gas companies in the country. He is D. A. Hulcy of Dallas, this week elected by the board of directors to the presidency of Lone Star Gas Corporation, succeeding the late L. B. Denning who died Feb. 6.

Mr. Hulcy since 1936 has been executive vice-president of the corporation. As president he will preside over the destinies of companies serving more than 300 towns in Texas and Oklahoma, the system including Community Natural Gas Co., Texas Cities Gas Co., Dallas and County Gas companies, Fort Worth division of Lone Star, the Lone Star Gas Co. which is the pipe line division of the system, Lone Star Gasoline Co. and the Council Bluffs (Iowa) Gas Co.

Born near Franklin, Texas, Mr. Hulcy first worked for the I. & G. N. Railroad. From 1912 to 1919 he was with the Texas State Railroad in Palestine and Rusk. His career with Lone Star started in 1920 in the accounting department. Four years later he was chief clerk of the department. In 1927 he was named assistant comptroller. From this position he was advanced to assistant to President Denning in November, 1929, and in 1935 was elected a vice-president and director of Lone Star Gas Corporation. All of Mr. Hulcy's business activities have been in the Southwest.

ELMER F. SCHMIDT

With the elevation of Mr. Hulcy it was also announced that Elmer F. Schmidt of Dallas, operating manager of Lone Star Gas Company, had been elected a vice-president of the corporation.

Mr. Schmidt has been with Lone Star since 1918 when he helped organize the gas measurement department. In 1919 he was appointed chief engineer and in 1920 became general superintendent of the company. In 1936 he was elected a vice-president of the pipe line company and in 1937 he was also made operating manager of the company.

Mr. and Mrs. Fronnie Carter and children, Van Beuford and Fronnie, Jr., left Tuesday for California where they are to make their home, they left an order for the Herald and will give their address later.

Watch for the picture, "Golgatha" to be shown in High school auditorium under the sponsorship of the Elementary Parent-Teacher Association.

## REV. EAST ACCEPTS BAPTIST PASTORATE

The membership of the Hamlin Baptist church was disappointed, Sunday night when the visiting preacher, the Rev. H. E. East, did not at once accept the call to the pastorate of the church.

Rev. East preached his second sermon Sunday night to an unusually large audience for an evening service. His sermon and his general bearing again won the esteem and approval of still more of the membership, some hearing him for the first time. At the close of the services he ask for more time to consider the call. He ask till Wednesday of this week, at least. The general feeling was that he would remain with the Knox City church.

Wednesday the following letter was received:

TO THE MEMBERS OF THE FIRST BAPTIST CHURCH, of Hamlin:

"After much prayer and consideration to Hamlin as your pastor. It was no easy decision to make, with our friends here indicating so clearly that they would like for us to stay, but after carefully weighing matters and after seeking God's leadership, I feel that the Lord is leading me to your church.

"I have no unusual methods to present that will boost your church work over night. The only methods I know are the methods set forth in the word of God. I believe we are taught that christians should be witnesses, and I verily believe every member of any church should release his testimony and become a living example of what the grace of God can do in any life.

"With your full and hearty co-operation, backed with your prayers I believe the Lord will help us lead and build onto the wonderful foundation, you already have established, one of the most spiritual soul-winning churches in the state.

"We come to you this week with all we have. We are coming to "spend and spent" for the cause of Christ in your community. Let us pray that Sunday may be a great day, and that spiritual tides may flow freely."

Yours in His name,

H. E. East.

The above announcement is clear. The new pastor and his wife and little girl arrived Thursday and are now comfortably settled in the church home, and in some respects Rev. East is already shouldering the task of the pastorate in Hamlin. The Herald has tried to give suitable publicity to the demands of the church in the absence of a pastor. The new pastor will assume publicity responsibility, after this week. All our ministers are welcome to anything the Herald can do within our capacity.

## APPRECIATION

The Woman's Literary Club wishes to express sincere thanks to every one who had a part in making the Hobby Show a success. Especially do we thank W. F. Johnson for the use of his building in which the show was held. Others donating property and service that was greatly appreciated by the club were Raymond Jones, Mac Brundage, Craig Elmore, J. E. Moody, Theo Johnson, Otto James, Johnny May, Bryant-Link Co., Methodist Church and High School.

James Dunlap, the Clover Farm "boy," went to Dallas Wednesday, accompanied by B. A. Gill of Stamford, Clover Farm Division Manager. Jimmy cuts up like a boy but he weighs nearly 300 pounds. The Clover Farm convention was the attraction in Dallas.

Abilene, Feb. 9—Marvin Carlton, son of Mr. and Mrs. M. E. Carlton of Hamlin was among the thirty-five students on the first semester honor roll at McMurry College, at Abilene. This roll is composed of the highest ten per cent of the student body. The list was released this week through the registrar's office.

## EDDIE JAY IS NEW C. OF C. PRESIDENT

EDDIE JAY

At a business breakfast at the Hotel Tuesday morning, the Directors of the Hamlin Chamber of Commerce, held their annual business meeting to elect a president for the ensuing year. All directors were present, except one who was ill. The newly chosen directors, namely, Joe L. Culbertson, James Dunlap, Ivy Witt and Holly Toler, stood and took the pledge. The other eight directors are: J. E. Moody, John C. Turner, Mac Brundage, Ted Russell, R. Y. Barrow, Eddie Jay, Frank Waggoner and R. H. McCurdy.

In the election of officers for the year 1940, Eddie Jay became President, and W. E. Benson was again chosen as Secretary. Mr. Jay in his acceptance speech said "What we all want is a better Hamlin." He ask the co-operation of all directors and citizens of this community to keep up their whole-hearted support to that end.

Retiring President, W. C. Russell, expressed his thanks to all who had taken a part in the progress of Hamlin's community the past two years of his leadership. He urged all to continue their co-operation in building a bigger and better Hamlin.

Mr. Jay will study the Chamber of Commerce membership and soon announce his eight committees to serve till 1941.

## THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

HOBBIES held sway in Hamlin last Saturday. That is, they were collected in the big show to prove Hamlin folks have "the Hobbies." Hobbies keep many folks out of meanness, and after all serve a good purpose. Everybody has a hobby but some can not tell it in print.

—T&amp;T—

There's a man "about town" whom everybody likes, believe it or not. But he does not give a hind leg whether you do or not like him. (That is, he acts that way, and does not mean it.) Joe Holt says he's been here a long time and "ain't goin' away."

—T&amp;T—

Joe Holt says, "More people go broke hunting the 'other country' than any other way." . . . Joe also says, "I've got a head of my own, just like a jackass, and I bray every once in a while, if I want to." And Joe says it is alright too, to "Act just like you got a burr in your ear."

—T&amp;T—

What is the difference between being killed by a drunken driver and being deliberately shot by the same fellow? In our opinion, if a man or woman kills a person while drunk and driving a car they should never be allowed to take a car again, and if they do and get caught, the crime should automatically become first degree murder.

—T&amp;T—

Here's a strange story . . . Jim Ezell and three women went down into the Rio Grande Valley, and stayed a week, and when they got home last Friday they had snow on the fenders of their car, and the sun was shining in Hamlin, too. If it had been any other man, you would now be saying, "it was because they went into Mexico."

—T&amp;T—

We picked up an exchange paper the other day, it was named "Jacksonville Journal." We began to try

to locate "What Jacksonville." First thought it must be in our "Texas" . . . and the reason for assuming that was because of the face of Grady Shipp. We looked and looked for the "state," finally one time on the front page, we found "Texas" . . . that created curiosity. We began to look more for the word "Texas," and not in a line or ad till a small card carried "Texas". The state was finally found in an obscure cut signature, and then two times in the subscription rates, and one large ad had Texas. That's all. It took considerable hunting to determine whether the paper was from Texas or Florida. "Texas" should be spread on every page and ad, in Texas.

—T&amp;T—

We do not want to be made the "Goat" for would-be office holders. Meaning by that, do their "butting for them" and take the rap. If a candidate will come to Hamlin and any hotel lady will let him have his meals and room for a week, all free, or if a gas station will let him have a tank full, five quarts of oil, one new tire, and a flat or two fixed all free, or if he will go to a dry goods store and ask for a suit of clothes, socks, drawers, and shoes and shirts all free, THEN bring the Hamlin Herald a receipted bill for same marked "contributed, to help the simple," then we repeat this paper will make full announcement as per the "bull" and mark our bill "Gone with the Wind," by golly.

—T&amp;T—

DEAR Mr. Postmaster Farley, congratulations. We note the New Literary Authors' stamps are facing the user, that is to the left. But still poor old George must endure his face looking the wrong direction. Really, Mr. Farley, let's turn 'em all to the left, when we try to honor a person.

—T&amp;T—

Some of you Hamlin guys may think Jim Farley will not see the above lines about his new stamps, but we bet he does. Go down and ask for the kind of stamps, looking in the left direction, which is really the "right" direction.

—T&amp;T—

One of our neighboring newspapers had a timely editorial last week about candidate using "Pedler's Cards." You are right Editor H. Let 'em get the "Pedler's cards," and when you find it out tell 'em to get the pedlers' votes and the printers in Podunk to elect him . . . but dear neighbor, how many cards could you print FREE that would amount to the free announcements and pub-

licity you give occasionally? . . . or are you that big a sucker? Why should newspapers foot the candidate's publicity bill?

—T&amp;T—

We are glad one editor agrees with us about "snapping pictures of defendants, witnesses and others in sensational cases before the court." It is a form of punishment not even the guilty should endure, besides it is silly. Thank you, Mr. Hill of Tahoka, and we agree with you on the conduct of the defendant when the jury has done what it thought was its duty. Certainly a defendant, knowing himself as guilty as H . . . would be glad to thank the jury for accepting his deceiving testimony. Take it from us, there are a lot of things done in court rooms, that could be cut out and leave more justice behind.

—T&amp;T—

FLASH! FLASH! Here's an international news scoop: President Roosevelt and White house party left Wednesday on a "Fishing Cruise," shrouded in mystery. The scoop: He will land at Vera Cruze, Mexico, and be a guest of our sister republic on the south . . . perhaps.

## Triplett Trips Over Bath Tubs This Week

(Over The County)

A newspaper editor told us this no later than last week end. "I am going to put a desk right by the side of my bath tub because a hot bath is very conducive to thought. I have lots of good ideas while in the bath room and by having a desk and writing material I can jot down the ideas as they come."

Perhaps this explains why the Finns are out smarting the Russians. They are reputed to be lovers of a hot bath, and snice the bath room is conducive to thought, that is where they think up ways to out smart the Russians, who have never been noted for their love of the bath.

And Queen Elizabeth, who bathed in wine, at least once a month, "Whether she needed it or not," was no cleaner, or not half as clean as a West Texas woman who has been reported to us.

The story goes that a motorist had a flat one day on one of our fine paved roads and right in front of a farmhouse, and he noticed a lady putting out the family wash. Putting the last garment through the washer and wringer she pulled off her dress and put it into the washer. (Well, Mr. Triplett, you did not tell if the motorist ever got his flat fixed.)

And if it had not been for the plunging of his body into the soothing qualities of a hot bath, after a hard day's work, Archimedes would not have discovered the idea for which he is famous. This Grecian Scientist was enjoying the luxury of

a hot bath one day when he was struck with an idea. So great was the idea that he jumped from the tub and ran naked down the street shouting, "I have found it."

What he had found was, "When a body is plunged into a fluid it loses as much of its weight as is equal to the weight of the displaced fluid."

Maybe after this I could get a job as a bathtub salesman.

G. D. T., Secretary Anson Chamber of Commerce.

## Lincoln Said It!

"No other improvement that reason can justify us in hoping for, can equal in utility the railroads—Upon the railroad, the regular progress of commercial intercourse is not interrupted by either high or low water, or freezing weather, which are the principal difficulties that render future hopes of water communication precarious and uncertain."

That observation wasn't made by a spokesman for the railroad industry. Instead, it was made by one of the greatest and most far seeing men this nation has produced, Abraham Lincoln, the savior of the Union.

What Lincoln said is as true today as it was in the 'fifties or 'sixties. In the Great Emancipator's time the railroads made possible the winning of the West, and the development of the vast wilderness that lay beyond the Mississippi. In our time, the physical frontiers have been largely exhausted—but it is the railroads which are making possible the development of those economic frontiers upon which our hopes for prosperity, security and opportunity depend. Today, as in the past, it is one of the greatest civilizing agencies man has ever known.

Other carriers, by water, highway and air, perform valuable services. But these are of necessity limited services. On top of that, most of the other carriers have been directly or indirectly subsidized to the tune of hundreds of millions of dollars from the public treasuries of state and nation. That is especially true of the waterways, which constitute a constant, heavy and increasing drain upon the taxpayers. Only the railroads are entirely self-supporting. And only the railroads can provide in the face of all natural obstacles, the certain, swift and economical transportation service which is so vital to this or any other nation's existence and progress.

## Too Many Hogs

The farmers who raise the nation's pork are in a difficult position. The current crop of pigs is estimated by the Department of Commerce at more than 84,300,000 head—13,200,000 above the preceding year. The heavy production is largely due to successive years of abnormally large crop crops—and corn must find its way to market as live pigs.

On top of that, pork prices have been steadily going down, and during December were over \$2.00 per CWT less than the five-year average from 1909 to 1914.

Last but not least, the war has reduced foreign demand for pork to extremely low levels.

## HAMLIN BOYS ADD ANOTHER TROPHY

The Herald has a clipping from the Baird Star, telling of the results of a recent tournament in Basket ball held at that place. They are liberal in their praise of the Pied Pipers' sportsmanship.

Those of you who attended know that the games during the weekend were away above par, and the match between Cross Plains and Hamlin was really something. You also know, of course, that the tournament went Hamlin way" . . .

Picking out where Hamlin featured in the tournament the Herald finds that Hamlin played Eula and lost by 32 to 21. Cross Plains won over Eula by 32 to 13. Hamlin skinned Rising Star 13 to 44. Hamlin took Denton 42 to 16. In second preliminaries Hamlin downed Eula 30 to 7, and Hamlin went into the finals with Cross Plains, and nosed ahead 34 to 32.

"Cups were presented to the winning teams by Supt. Olaf Smith and Bill White. Boy's trophy went to Hamlin and girls' to Cross Plains."

"And now a word about the conquering Pied Pipers of Hamlin who won but with such grace and thorough sportsmanship that it was like losing the tournament to a group of good friends. The Hamlin boys include James Nicholson, Jack Vaughan, Don Coles, Leonard Sowell, Tommy Hill, Dick Kelly, Bobby Barrow, Jack Ellison and Norman Lassiter. The boys, one and all, were a credit to their coach, Marcus Smith who was a good example of sportsmanship himself. According to Mr. Smith, the Hamlin team was happy to be included in the Baird tournament, and with their courtesy, I don't doubt but what they would be welcome in any tournament they might care to participate in."

### Schubert Club

February fourteenth was Woman's Day with the Schubert Club, as they had as guests the members of the Literary Club, and also the High School Choral Club.

The meeting was opened with greetings by our president, Mrs. L. H. McBride. Mrs. Bennett directed the program and gave a very interesting discussion of Woman's Struggle for Recognition in Music. Mrs. Moody discussed Women in Orchestras. The remainder of the program consisted of "The Big Brown Bear," by the High School Choral Club, a piano solo, "Searf Dance," (Cecile Louise Chaminade), played by Anita Anderson, a vocal solo, "My Soul Was a Song," (Robert Briel) sung by Mrs. Glenn Caffey, a piano quartet, "Waltz from Faust," (Gounod)

by Mmes. Russell, McCrary, Shell, and Albritton, and the Club song, "A Heap O'Livin," (Guest and Mrs. M. H. Gulesian).

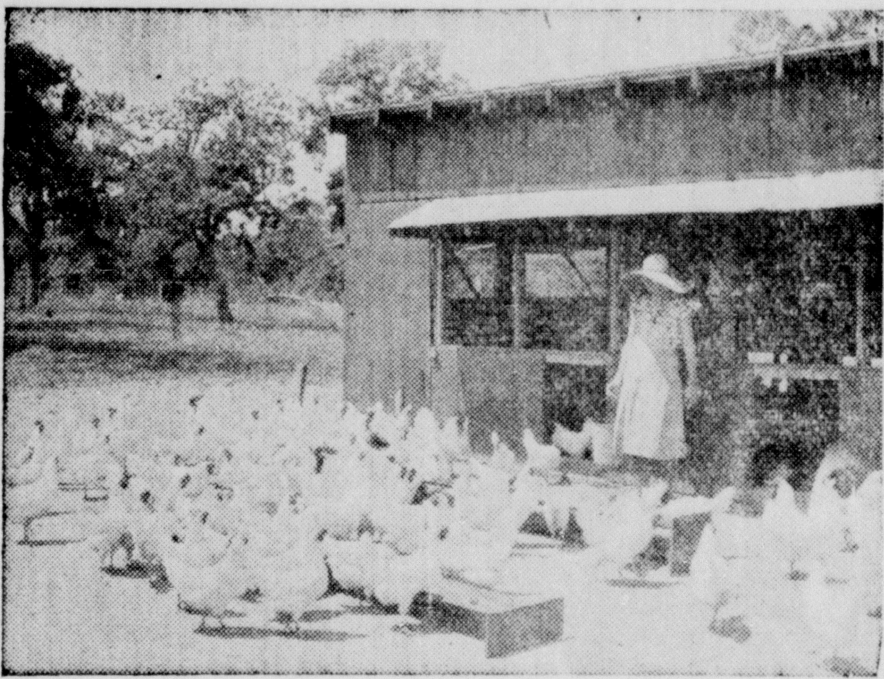

Tea was served while all three circles spent an enjoyable social hour together.

### Mrs. Lon C. Dixon Died Mon. After Long Illness

Mrs. L. C. Dixon, a pioneer farm woman of Jones County, died at her home near Radium, Monday, February 12, 5:45 P. M., age 54 years, 5 months and 15 days.

Mrs. Dixon was born in Hill county, Texas, August 28, 1885 and married Lon C. Dixon, in Jones county on September 8, 1904. She is survived by her husband and four children, namely, Mrs. Elmer Joiner Rt. 3, Hamlin; T. E. Dixon, Hobbs New Mexico; Mrs. Fadella Stewart, Brownfield, Texas and Mrs. W. W. Goodwin, Rt. 3, Anson. She is also survived by her parents, Mr. and Mrs. L. H. Treadwell, Anson and three sisters and four brothers, they are Mrs. P. H. Beauchamp, Rt. 1, Hamlin; Mrs. Willie Neville, Anson; Mrs. Clarence Rosamand, Childress. The brothers are I. M. and T. J. Treadwell, Rt. 1, Stamford; J. L. Treadwell, Rt. 1, Hamlin and A. J. Treadwell of Eastland. There are seven grandchildren.

Mrs. Dixon had been in ill health for nine years and the past four years had not been able to leave her bed. She had suffered much. She was a christian mother, and a faithful and loving companion. She was a member of the Baptist church from early childhood, and participated in church activities till her health prevented.

Funeral services were conducted at the Fairview Baptist Church at 2:30 Tuesday, February 13, in charge of Rev. L. A. Doyle of Anson, Rev. Charles Torrence of Abilene and Rev. R. L. Shannon of near Paducah.

The Lawrence Funeral Home of Anson, had charge of the interment in the Fairview Cemetery.

### Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too; 25 to 40 doses, 25c.

## \$1,089,797.00 of Government Money Expended in 24 West Texas Counties

Report From Works Progress Administration, 1114 10th St., Lubbock

Lubbock—Improvements to highways, roads, and streets were stressed by sponsors of WPA projects in South Plains counties during the six months period ending December 31, 1939, according to a report issued today by J. O. Jones, district director.

More than half of the total amount of funds used on the WPA program in this section during the last six months of 1939 went into road improvements, Jones stated, pointing out that much of the \$705,997 road improvement expenditure was used to develop farm-to-market travel routes.

Next largest construction item reported by Jones was the improvement of public buildings, including a number of schools, which accounted for expenditures of \$31,534. Extension of public utilities such as water lines and sewage disposal systems was financed through expenditures of \$28,984. On such recreational facilities as parks, playgrounds and athletic fields there was expended \$21,897. On conservation work there was expended \$3,866.

Women wage-earners, who produced thousands of garments and other articles for distribution of the destitute, were provided jobs in WPA sewing rooms through expenditures of \$156,904. Of this total, \$125,830 went directly to the women workers in the form of security wage checks.

Grouped under the general heading of professional and service projects, which accounted for expenditures of \$69,243, are such works as the survey of native mineral resources, study of underground water supplies, and other geological surveys, all supervised by University of Texas departments or other authoritative state agencies; preparation and serving of hot school lunches to undernourished children; rendering of library assistance to existing libraries and establishment of new library units; extension of assistance into the homes of the underprivileged by housekeeping aides; renovation, indexing, and repair of school, city, county, and other public records.

Other outstanding WPA activities

were listed by Director Jones as follows:

Community sanitation and public health improvement programs, \$29,444.

Distribution of surplus commodities, including food items and WPA-manufactured garments, to the destitute, \$16,572.

Operation of canning plants for the preservation of food products, \$10,228.

Directing of community recreational activities by trained WPA supervisors, \$12,247.

Conducting of nursery school unit for pre-school children, \$2,879.

Summing up his statement, Jones reported that a total of \$1,089,797 has been expended on WPA projects in the 24 counties administered from the Lubbock district during the six months period ending December 31st. Of this amount, cities, counties, and independent school districts have provided \$458,626 as their share of participation in the program of public improvements and services.

Counties comprising the Lubbock WPA district and covered by the report are Bailey, Borden, Cochran, Cottle, Crosby, Dawson, Dickens, Fisher, Floyd, Gaines, Garza, Hale, Hockley, Jones, Kent, King, Lamb, Lubbock, Lynn, Motley, Scurry, Stonewall, Terry, and Yoakum.

### HAMLIN RECEIVED MUCH OF THE FUNDS EXPENDED

It is quite easy for one to see what this department of Governmental spending has meant for Hamlin community. One item alone is convincing. It is the beautiful parking and extensive athletic grounds, including a football field and a baseball diamond just now being finished.

Hamlin can well be proud of this community enterprise, for indeed it is an enterprise that will keep meaning much to the athletic interests of all this section.

Besides the extensive rock work, and parking improvements, other lines of activity have been carried on in Hamlin and have helped to tide over many needy families at a time when no other work could be done.

## "Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering!

It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

Mr. and Mrs. Earl Smith and daughter, Miss Twila Ruth of Graham, spent the week-end in Hamlin with friends. They like Graham but, maybe Hamlin better.

Mr. and Mrs. Arnold Griffin and their father, E. Beard of Okemah, Oklahoma, came down Saturday for a short visit. They came to visit their mother, Mrs. A. G. Griffin. One thing we learn from these former Hamlin folks . . . they say in Okemah no cars are ever parked so that a man can not walk between them and that all accidents caused by backing, must be borne by the "backer."

Mr. and Mrs. D. A. Tims, of San Angelo, were here Friday of last week visiting friends and looking after property in and near Hamlin.

Visit the Herald and tell us your troubles—we also want your business.

By-the-Way, the Herald has not published the fact that Miss Lala Mae Reynolds, formerly a teacher at Hitson, was elected to teach in the grade school in Hamlin to take the place of Miss Beck, who married recently. Miss Reynolds has taught a long time for the Hitson people and is ranked among the best teachers. Her place at Hitson is now occupied by Miss Mary Stewart of Lubbock.

Miss Montine Rutherford of Dallas was a guest of Mr. and Mrs. J. D. Milburn over the week-end. Mrs. Milburn accompanied Miss Rutherford back to Dallas to spend a few days with her mother.

### METHODIST CHURCH

John W. Hendrix, Pastor

The exact hour for Church school is 9:45 A. M. And it runs till 10:45. The exact hour set on the Church calendar for morning worship is 10:50 Morning Worship is over at high noon. The church in her program is indeed grateful to every one who conforms to these hours.

MORNING WORSHIP is being made an event in the life of all who attend. It is easy to think this service, the responsibility of it, is on some one. No by no means; it is on all who attend. The choir will lead the audience in some choice hymns. The pastor will lead the audience in the consideration of a pertinent subject and the audience will join cordially in this consideration. This time the subject is "What's The Big Idea?"

EVENING WORSHIP will feature a BIG SING and you will be part of it. The pastor will lead in the worship hour and will speak on this subject, "I Got Lost." Yes, did you ever get lost? Did you ever get turned around, your sense of directions become confused? Queer feeling! Indeed so. And then what does it do for our map and for us? Evening attendance is very encouraging.

YOUNG PEOPLE have their worship and program at 6:30, and are most cordially invited to make up the evening choir.

NEW ITEM on the church calendar is the ADULT class which has its session at 6:30 P. M. This is a study class connected with what is now being greatly emphasized by the church—The Methodist Advance. The pastor has just returned from Amarillo where he attended such a meeting being promoted by the Bishops of the whole, new Church. This endeavors to settle this question, "After Unification, What?" You'll doubtless enjoy this study.

Mrs. Harry Pitzer of Chickasha, Oklahoma, came Tuesday to be with her father, H. O. Cassle, who is ill in an Abilene Hospital.

### O. H. Berry Making

#### Good In Sweetwater

#### P. C. Association

Approximately 367 members and guests from six counties attended the sixth annual meeting of the Sweetwater Production Credit Association held on the roof garden of the Bluebonnet Hotel on February 7. Mrs. Katherine York from Borden county, 81 years of age, was the oldest person attending this meeting. Mrs. York is the mother of J. N. York, one of the association directors.

Talks were made by W. B. Willingham, Rotan; Ed B. Beck of Sylvester, and John H. Seale, Jr., secretary-treasurer of the Production Credit Corporation of Houston. O. H. Berry, secretary-treasurer of the local Association, made the annual report.

Mr. Berry reported the Association loaned \$1,335,107 during 1939 with no losses and no reserves for estimated losses. Loans outstanding on December 31, 1939 were \$461,986, with net earnings for the year of \$10,627. Member-owned stock and reserves have been built up from \$2,107 in 1934 to \$82,060 at the

close of 1939.

W. B. Willingham, farmer stockman of the Hobbs community south of Rotan, and J. W. Watson, successful farmer of Colorado City, Texas, were re-elected by the stockholders to serve on the board of directors for the next three years. All active borrowers own Class B Stock in the Association and are entitled to only one vote regardless of the amount of stock they own. No voting by proxy is allowed.

#### HITSON 4-H CLUB ELECTS NEW SECRETARY FOR YEAR

At our last meeting, the club had one new member, Mary Sue McLemore. A new secretary was elected, being Miss Mary Lee McLemore. Our next meeting will be on "How to Make a Shoe Rack," with our sponsor, Miss Mary Holland on February 22nd.

Those present were: Alma King, Edna Haught, Mable Hill, Juanita, Orville Ray and Eulala Headrick, Verne King, Maney Lou Lassister, Merle Williams, Wanda Hill, Mary Sue McLemore, Doris Vance and Polly Hill, and Mrs. Lester Hollis. Mable Hill, Reporter

Mrs. J. L. Keen proved last week end that she has a citrus farm in the Valley. She brought the Editor and family some lovely samples of grapefruit, oranges, lemons and tangerines. Her son Morton is living on the fruit farm.
